## CLOSURE EXTENDED

### OIL SPILL ON EASTBOUND 60/215 SOUTHBOUND TO IMPACT AFTERNOON COMMUTE-

**San Bernardino** - The California Department of Transportation (Caltrans) advises motorists that the oil spill that occurred on the 60/215 connectors is having a continued effect on today's commute.

The oil spill consisted of 6,400 gallons of waste oil. Haz Mat teams continue the clean up efforts. Caltrans anticipates being able to open the road **AT APPROXIMATELY 7 PM tonight.** An already scheduled closure for the 60/215 has been lifted for this evening to alleviate the already congested area. This previously scheduled closure will resume as planned on Wednesday night.

Alternate Route:

#### **SOUTHBOUND TRAFFIC USE:**

Motorists are encouraged to avoid the area if possible. However, if necessary, travelers heading south will need to go westbound SR-91 to southbound I-15.

Caltrans would like to thank motorists for their patience during this incident and follow all cautionary signs in the area. Please **SLOW FOR THE CONE ZONE.**
